# HUNTS' HIGHLIGHTS

## Re-Connecting & Focusing on Missions!

Dear & precious long-time friends & co-workers from the Dominican Republic (where we ministered almost 20 years), getting re-fired & re-inspired for MISSIONS at the International \*LAC Missions Congress in April in Panama. NINE missionaries sent out from D. R.!

Awesome & wonderful long-time friends & co-workers from Costa Rica (from where we served nearly 18 years), also participating in the \*LAC Missions Congress in Panama in April — active and moving forward in MISSIONS. A total of 21 missionaries supported by C.R.!

—PTL for thrilling report showing grand total of 863 \*LAC missionaries sent out (mainly to restricted areas) from the 19 Spanish-speaking countries of Latin America!

—PTL for Eugene's successful classes with 29 excellent students in Cuba in April, & pray for him as he teaches a new class on "Spiritual Formation" in Bolivia in July.

—We continue to depend on God — through YOU — to supply what's needed for on-going ministry.
